Museum & Gallery Listings for Nov. 14-20

NOV. 13, 2014

By **ROBERTA SMITH**

E.M. Saniga: ‘Artifacts’ (through Sunday) Continuing to erase the line between progressive and traditional, this painter quietly puts the still life through its paces, with a combination of spatial modulation, humble subject matter (shards, children’s clothing) and subtle adjustments in surface and light. It’s a consummate performance, and a display of earlier works in the gallery’s nearby project space summarizes Mr. Saniga’s progress to this point. Steven Harvey Fine Art Projects, 208 Forsyth Street, near Houston Street, Lower East Side, 917-861-7312, shfap.com.
