Help!

Steven Harvey Fine Art Projects is pleased to announce a fundraising benefit for Hampshire College.

In the past few years, Hampshire College has reached a difficult financial situation culminating with the threat of closing its doors. Through new leadership and incredible alumni support, the incoming class of 2020 has just begun their Fall Semester. The college has a steep fundraising effort ahead of them and as they work to raise these funds, they reimagine the structure of their school. Fifty years ago, Hampshire was created to challenge modes of liberal arts education. Many of The Gallery's artists and friends came from this school in the woods and so we are pleased to join the effort in trying to retain this strange and special institution.

We bring together a group of such alumni and friends with works by Gideon Bok, Meghan Brady, Susanna Coffey, Dennis Congdon, Luca Dellaverson, Angela Dufresne, Rose Holtermann, Dylan Hurwitz, Emma Kohlmann, Susan Lichtman, Judith Mann, Michele Mirisola, Danica Phelps, Giordanne Salley, and Zoe Wright.
